INTEGRATED TRANSCEIVER CIRCUIT WITH LOW

Dear Researcher:

A discrepancy was noticed in the balance of our USPTO Deposit account which shows a charge of \$180.00 for a Supplemental Information Disclosure Statement (Code 1806). We believe this charge to be incorrect.

A Supplemental Information Disclosure Statement was mailed to the USPTO on November 7, 2005, for a reference cited by our client. As shown on the attached copy from PAIR showing the status dated December 5, 2005, as being 'Ready for Examination', as specified in 3 (b) this Supplemental IDS was mailed before the mailing date of a first Office Action and the Certification was checked that we received this information not more than three months prior to filing this statement.

Therefore a request hereby is made for a refund in the amount of \$180.00. Please credit the refund to Deposit Account No. 50-1733.

If you have any questions or comments regarding this matter, please let me know.

Very truly yours,

Thomas G. Eschweiler
